Warning to Dairymen. We have repeatedly warned the dairymen that the oleomargarine law s likely to be amended next winter. and that the amendments proposed will destroy the value of the law, so far as concerns the protection of dairy products. Again, we ask you-have you written your congressman about it? Do you know his views? Does he know what you want him to do in the matter? Does he know what you are going to do to him in the campaign next year if he doesn't give you a square deal? This is no joke. It is a serious proposition, and no time is to be lost if the oleomargarine law is to be preserved in its present form. -Missouri Dairyman.

Grain Ration for Horses. An experienced horseman has found equal parts of corn and oats ground together to be one of the best grain rations for growing colts. It furnishes elements needed for the production of fat, bone and muscle. Adding bran or linseed meal to the ration aids very much in keeping the bowels regular and avoids constipation and in this

If You Cut Your Finger

would you take cod liver oil, or would you cleanse and bandage the wound? The most rational way to treat the diseases of women is to apply a local remedy. PISO'S TABLETS destroy disease germs, control inflammation and eradicate the disease itself. They are so clean and easy to use that they appeal to every woman who suffers from female trouble. They are an ideal home treatment. Let us prove it by sending you a week's trial free.
